The American Recovery and Reinvestment Act of 2009 includes approximately \$135 billion nationally for construction and repair of our nation's infrastructure. Topics to be covered in this session include:

### **Part I: Opportunities Under the Recovery Act**

- Key initiatives and programs funded by the stimulus act
- Identifying current and upcoming opportunities
- How to bid and obtain award of contracts funded by the act
- Preparing effective proposals

## Part II: Bid Preparation and Contract Administration Considerations

*(understanding the critical differences between Stimulus Act projects and conventional commercial contracts)*

- Bonding requirements
- Bid protests and protecting award
- Limited authority of government officials
- Subcontracting requirements, restrictions and flow downs
- "Buy American" provisions and unique reporting requirements
- What you need to know about Federal Acquisition Regulations as they relate to Stimulus Act projects
- Changes
- Unique legal/ethical issues in performing a Stimulus Act contract
- Claims and disputes processes

***This program is designed for company owners, estimators,  
contract specialists and project managers.***
