

Central District Safety Alliance
**CPR/First Aid &
Medical Services**

August 13 or October 15, 2010

Training Provided By: Historic American Red Cross

1007 Sheffield Drive

Lynchburg, Virginia 24502

Time: 8:30 AM until 12:30 PM

The lack of properly trained First Aid providers is currently the #2 VOSH citation. 1926.050 requires licensed contractors to provide proper medical attention and other services on the jobsite. The American Red Cross is an OSHA recognized training resource for these services. The more trained personnel you have on the job, the more protected your employees are. **The life you save may be your own.**
