

BIM 101: AN INTRODUCTION TO BUILDING INFORMATION MODELING (BIM)

Thursday, September 16, 2010
AGC of Virginia Office
11950 Nuckols Road - Glen Allen
8:30 AM - 5:00 PM

*This program is the first of four comprehensive training classes under development.
The second program, BIM Technology, will be offered on October 27.
The third program, BIM Legal Issues & Risk Management, will be offered on December 10.*

This course, entitled **BIM 101: An Introduction to Building Information Modeling**, is meant to give the student a broad overview of BIM and to introduce the important concepts that will be necessary for the advanced courses. It will provide a broad overview of BIM technology, process and integration.

Instructor . . . Michael Tardif of Grunley Construction (Rockville, MD).

Cost . . . The cost for members is \$345, which includes registration, handout materials, lunch and refreshments. The cost for non-AGC members is \$700.

Registration . . . Registration is limited. Attendees will be accepted in the order they are received. Please return the registration with your pre-payment.
